

Build The Vision Pledge Reminder

Believe it or not, as of June 30, we will have reached the end of our second year since beginning our Build The Vision financial campaign. Many of your pledges were based on annual gifts, ending on the June 30 pledge anniversary date. I encourage everyone to review their pledges to make sure we all stay up-to-date. You can review your gift status on the Quarterly Giving Statement we mailed in early April.

One reminder...please clearly mark all checks, weekly cash envelopes, and any correspondence indicating the transfer of stock, property, or other assets to Knox with the intent of your donation. Your check, envelope, or correspondence can include the words "Capital Campaign", "Building Fund", "Building Pledge", "Build The Vision", or some other clearly identifying wording. If you are giving to the "Special Gifts Campaign", we need this gift identified as well. In fact, anytime you intend on donating to a specific cause (i.e., Loaves & Fishes, Hesed House, Go & Serve, etc.), we ask that you note your specific request.

Thank you to everyone for your gifts, support, and passion.

If you did not receive your quarterly statement, or would like more information, please contact either Rita Eagleson (Financial Secretary; 630-355-8181, ext. 101) or Mark Nelson (630-536-8310).
